

**List of the Recognized Institutions and Practitioners  
for Seafarers' Medical Examination**

According to related requirements of *Measures for the Management of Issuing Medical Certificate for Seafarers of the People's Republic of China*, based on the on-scene verification reports submitted by regional MSAs, the medical examination institutions listed as follows are qualified to undertake seafarers' medication examination, and the recognized medical practitioners employed by those institutions are entitled to issue medical certificates. All the medical examination institutions and medical practitioners shall strictly observe the requirements. The regional MSAs shall carry out routine oversight and supervision.
